“ *Arlene and I taught nursing students at Beaufort County Community College in Washington, NC in the 1970s and early 1980s. She was a friend and colleague when life was, at times, hard. May you Rest In Peace! Linda Titus*

I was proud to call Arlene my friend. She helped those less fortunate in so many ways. She was truly a kind Christian woman who demonstrated her Love for Christ in her daily life. She loved her family and was so proud to share news of her Grandchildren. She will be forever missed.

I hope you don't mind me making my comment at the end of your comment. It's the only way I could figure a way to leave a message on Arlene's message board. Arlene and I were in school together and graduated in the 1966 class of Pantego High School. She was such a loving person and a credit to her profession. She was one of the nurses who cared for my Daddy at Pitt Memorial Hospital in 1989. Was able to see her at our class reunions, and that was always such a pleasure. She gave so much of herself to her fellowman, and had such a wonderful heart. My privilege to call her my friend! 💕
