“ *To the McAllister family...I was a childhood friend / neighbor and classmate of Chuck.
I am saddened to learn of his passing...my thoughts and prayers are with all at this difficult time.*

Last time Chuck and I saw each other was prior to his relocating to NC...we took a nice long ride on our motorcycles post Mike passing...we had lunch...reminisced...had good laughs.

RIP and Godspeed Chuck...see you on the other side one day.

Respectfully,

Art Hussey

*My children grew up next door to the Mcallister family.
Chuck senior and Pat were close friends on mine.
Big Chuck helped me build my home there and was always there when I needed a hand.
My children. Tania, Rob and Melissa were a bit younger but went to fallsbutg school together.
I knew all the kids well and really liked them.
I shed tears for Pat and hope only good memories remain for those Chuck loved and those that loved him.*
