“ You helped raise me. You are my babies Doodle. You were my best friend at a time. There's so many memories that we shared but when you rode up on Jimmy's golf cart n rode to Manner road that time it was epic!!!! You give everyone the perfect princess wave as we drove past them lol. Then when John n Jimmy come to retrieve it from Manner road n we were in trouble no one fussed or cussed. Instead everybody was quiet..... scariest funniest thing ever!! You are amazing Cheryl and I love you n will miss you very much. Thank you for being in mine n my kids lives ❤️ we love you Doodle
