“ *Jenifer and I both worked at the Sleep Inn in Mt. Olive. She was so nice and such a hard worker. I pray that The Spirit of God will comfort her family.*

“ *My sweet niece I have wanted you grow up to be the lady that you are. I am going to miss the only person that I know who enjoyed all the funny things that I would share with you on messenger, go fly high and tell all our family that I love them and I love you and already miss you terribly.*

“ *Jenifer I am so very sorry to hear of your passing. We just talked a couple of weeks ago. We met in second grade, and i always thought of you as a sweet girl that I was lucky enough to have as a friend. You have fought a good fight, but it is time for you to rest now. Fly high Jenifer! Always in our hearts* 💕💕

“ *Because I was your voice, I speak my mind. Because I fought your battles, I am strong. Because I was your advocate, I learned empathy. I am complete because of you. Being your BIG little sister was my greatest gift. It built character in me I never would have had otherwise. Now Mama and Daddy can take over caring for you again. Love you always ❤️*

“ *Being there from the day she came in my life to the day she left my life. One of my sweet angels went back home to be with her other family and her heavenly father. Thank you for being in my life as long as you were. Aunt Lora loves you so very much. Fly high and enjoy your time with everyone*
