“ I met Jessie at Radiology in Smithfield while waiting for my husband who has a glioblastoma tumor. I took to her and Leah immediately, what a great person she was. I was happy to meet Danny as well and prayed for them everyday. She had such a cool personality and was just so sweet, I was blessed to have met her. My heart goes out to her husband and her friends and family. Michelle

“ For my precious friend, Jessica Shannon James:

As I start to count my blessings, there is one thing which rings true, I'll always be so grateful for a friend I found in you!

Grateful for special times, we shared throughout the years, times that brought us closer, through our laughter and our tears.

Grateful just to have someone, as kind and good as you, to share my finest moments with, and share my sorrows, too.

And when I look upon my life, what matters in the end, is that I was really BLESSED, to find one, true, faithful friend!

A precious friend, now called to rest,

In God's embrace forever blessed.

Through faith and love Jessica's spirit soared,

A life of grace, sincerely poured.

Our best memory of "MY FRIEND Jessie" is through thick or thin.

Jessie would ALWAYS say "God's got me"!

Although her body lost the battle Jessica did not lose her soul 🙏🙏

🙏! Her FAITH was super strong, in God. Thank you Jessie for sharing your love to all of us!

Our love goes out to Danny James and all of family and friends 🙏
