“ Grandpa was the kindest man I know! He was generous and would give the shirt off his back for anyone in need! He lived a life that represented God and he led by example. He stepped up as my dad and took on the role with selflessness. I am thankful for him and his heart to love so big. Family was so important to him and I am thankful for the many family reunions we shared together. Our lives are better because he was in it. I love you forever grandpa, I can't wait to see you again!

“ *A man with a kind soul, and a heart full of love for family and people. He had never met a stranger and would talk as long as you wanted to. He had a tender heart for the Lord, and to all he loved. He served God and applied the word of God, through his daily walk with Jesus. He will surely be loved and missed.*
