“ I really enjoyed working with Leanne back in our Northstate days. We quickly developed a friendship while we worked together. We lost touch a couple of years ago, but I never stopped thinking of her. I will miss her. She was a very wonderful person.

“ *Sending my love and deepest condolences to all of the Cooner family. Although I did not know LeAnne very well, the brief time I had with her was loving. I know she is in a better place with our Lord and Savior but she will be missed by many.*
