“ It hurts that you are gone!!!! I keep looking in my email for a note from you!!

I love you! I'm sorry I didn't get to say goodbye...but I guess it's really not goodbye is it?

It's "Later, Love ya!!"

Love your little sister,

Roy I miss you more than words can say. It takes everything I have not to call you like I'm so use to and hear your voice. I am not going to say goodbye because I'll see you again someday. Take care of dad and our brothers until then. I've got things down here. I wish we had more time. But the Lord had other plans. I will always Love You Roy and I miss you. God has you now 🙏 Rest in peace my dear brother. Until we meet again I Love You ❤️
